

To order phone service:

Simply send John Matson an email with the following information. John's email address is john@myakka.com

- How would you like to be listed in the phone book?(First and last name or first and last plus address or unlisted for no extra cost)
- What is your physical address? This is required for 911 purposes.
- *If you're transferring your old phone number over to Myakka Communications, we will need your phone number and Frontier account number.
- Due to customer demand for an internal wiring program, we will offer an internal wiring program for only \$5.95 per month.
- Do you have phone lines going to another location other than the house (barn, office etc) ?
- The default caller id will be the name your account with us is set up as. If you would like a different name for caller id, please let us know.
- Do you have a home alarm system that runs through the phone?
- Are you going to be using one cordless phone base, or are you connecting the wiring in the house? (If not using the wiring in the house, no inside wiring maintenance needed)
- The terms of service are online at:
<http://www.myakka.com/documents/PhoneResiTOC.pdf>

John will reply with simple instructions. Just follow the instructions and accept the terms and conditions in order to finalize the order process.
